Federal Tax & Accounting
Coronavirus Roadmap

All content in this report is available on Bloomberg Tax and Bloomberg Financial Accounting and is updated continuously as changes occur.
This roadmap provides a summary of federal tax and accounting activity relating to the novel coronavirus (COVID-19), including legislation such as the Families First Coronavirus Response Act and the Coronavirus Aid, Relief, and Economic Security (CARES) Act. It was prepared by Bloomberg Tax & Accounting staff and was last updated on March 27, 2020. State tax activity is summarized here, and international tax activity is summarized here and here. For comprehensive information on the tax implications of COVID-19, see the Bloomberg Tax & Accounting Coronavirus Tax Watch.

<td>Due Dates for Filing Income Tax Returns and Making Income Tax Payments</td>
<td>The IRS postponed to July 15, 2020 the due date for both filing a return and for making income tax payments due April 15, 2020. The postponement is automatic; no Form 4868 or Form 7004 is required. Initially, only the due date for making income tax payments was extended, and the amount of payment eligible for postponement was limited. The current guidance addresses the filing deadline in addition to the due date for making income tax payments and does not limit the amount of payment that may be postponed. Payments that may be postponed are limited to federal income tax payments in respect of a taxpayer’s 2019 taxable year and federal estimated income tax payments due on April 15, 2020 for a taxpayer’s 2020 taxable year. The period from April 15, 2020 to July 15, 2020 will be disregarded in the calculation of interest, penalty, or addition to tax for failure to file returns or pay taxes. Authorities Notice 2020-18, superseding Notice 2020-17</td>

| **Paid Sick and FMLA Leave**                   | The Families First Coronavirus Response Act created a federal paid sick leave requirement for coronavirus-related needs and expanded the Family and Medical Leave Act to include a paid leave component for employees caring for children whose schools or child care facilities were closed because of the virus outbreak. Employers are eligible for payroll tax credits in connection with providing paid leave from April 1, 2020 to December 31, 2020. Paid sick leave is not subject to the OASDI portion of FICA, and any amounts subject to the HI portion of FICA are offset by an increase in payroll tax credits. **Authorities**  
Families First Coronavirus Response Act; Notice 2020-21 | **Coronavirus Response Act Adjusts Payroll Requirements**  
**Additional Analysis**                                                                             |
| **Employee Retention Credit for Employers Subject to Closure Due to COVID-19** | Employers receive a refundable quarterly payroll tax credit equal to 50% of qualified wages paid to an employee. For purposes of the credit, up to $10,000 of qualified wages per employee is taken into account. Excess credits are refundable. Eligible employers include employers (1) whose trade or business is fully or partially suspended during the calendar quarter due to orders from an appropriate governmental authority limiting commerce, travel, or group meetings (for commercial, social, religious, or other purposes) due to COVID-19, or (2) who have a 50% decrease in gross receipts for the same calendar quarter in the prior year. This credit does not apply to governmental employers. Applies to wages paid after March 12, 2020, and before January 1, 2021. **Authorities**  
CARES Act §2301 | 392 T.M., II.A                                                                                                                                                                                                                                                            |
| **Delay of Payment of Employer Payroll Taxes** | Employers and self-employed taxpayers can delay payment of the employer portion of payroll taxes through the end of 2020. Fifty percent of any payroll taxes deferred under this provision must be paid by December 31, 2021, with the remaining fifty percent paid by December 31, 2022. **Authorities**  
CARES Act §2302 | 392 T.M., II.A                                                                                                                                                                                                                                                            |

| High-Deductible Health Plans      | A high deductible health plan (HDHP) may, without affecting its status as a HDHP, provide health benefits associated with testing for and treatment of COVID-19 without a deductible, or with a deductible below the minimum deductible (self only or family) for an HDHP. Such benefits are disregarded for purposes of determining the plan’s status as a HDHP. An individual covered by the HDHP will not be disqualified from being an eligible individual under IRC §223(c)(1) who may make tax-favored contributions to a health savings account (HSA). Authorities Notice 2020-15 | 330 T.M., VIII.B (eligible individuals)  
330 T.M., VIII.E (HDHP)  
Additional Analysis |
<p>| Exemption for Telehealth Services | Under a safe harbor for plan years beginning on or before December 31, 2021, a plan may be treated as a high deductible health plan even though it does not have a deductible for telecare and other remote care services. Remote care services do not disqualify an individual from contributing to the health savings account. Effective on the date of enactment of the CARES Act. Authorities IRC §223(c); CARES Act §3701 | 330 T.M., VIII.E |
| Guidance on Protected Health Information | Not later than 180 days after the date of enactment, the Secretary of Health and Human Services must issue guidance on the sharing of patients’ protected health information during the declared COVID-19 emergencies, including information on compliance with HIPAA regulations. Authorities CARES Act §3224 | 389 T.M., VIII.H |</p>

| **Tax-Favored Withdrawals from Retirement Plans** | Coronavirus-related distributions from eligible retirement plans are not subject to the 10% excise tax on early distributions. Distributions must be made on or after January 1, 2020 and before December 31, 2020 to an individual who is diagnosed with SARS-CoV-2 or COVID-19, whose spouse or dependent is so diagnosed, or who experiences financial hardship because of quarantine or other factors. Coronavirus-related distributions may not exceed $100,000 in the aggregate for any taxable year. Taxpayers may elect to ratably spread the income over a 3-year period beginning with taxable year 2020. Taxpayers may also avoid income recognition by repaying the distribution to the retirement plan within three years of receipt.  
**Authorities**  
CARES Act §2202(a) | 370 T.M., VIII.D. |
| **Loans from Retirement Plans**   | Loans from qualified employer plans up to $100,000 (increased from $50,000) are permitted in the 180 days beginning on the date of enactment. The full present value of the nonforfeitable accrued benefit of the employee under the plan, as opposed to one-half thereof, is used in applying the IRC §72(p)(2)(A)(ii) exception to treatment of the loan as a taxable deemed distribution. For outstanding loans, repayment dates between the date of enactment of the CARES Act and December 31, 2020 are delayed for one year, and subsequent payments as well as interest accrual are adjusted accordingly. A plan will not be disqualified as a result of plan amendments in accordance with the CARES Act provisions.

| Temporary Waiver of Required Minimum Distribution Rules | Minimum distribution rules are waived for calendar year 2020 for IRAs and certain defined contribution plans.  
Waiver does not apply to required beginning dates in calendars year after 2020, and amounts which would otherwise be required to be distributed are not eligible rollover distributions.  
For distributions to be made over a 5-year period that includes calendar year 2020, calculations of the distribution period may disregard calendar year 2020.  
Plan amendments to comply with this provision must be made on or before the last day of the first plan year beginning on or after January 1, 2022 (January 1, 2024 for governmental plans). Plans operated in accordance with these changes between the amendment’s effective date and December 31, 2020, will not to be deemed to have a plan qualification failure, or an anti-cutback rule failure, under §411(d)(6).  
Authorities  
New IRC §401(a)(9)(I); IRC §402(c)(4); CARES Act §2203 | 371 T.M., I.F. |
| Business Losses (NOLs)                    | The CARES Act amends IRC §172(b) to allow for the carryback of losses arising in taxable years ending after December 31, 2017 and before January 1, 2021 to each of the five taxable years preceding the taxable year of such loss (however, real estate investment trusts (REITs) are not permitted such carrybacks). The CARES Act does not alter the indefinite carryforward of NOLs arising in those years.  
The CARES Act also amends section 172(a) to remove the limitation that NOLs could be used to offset no more than 80% of taxable income (disregarding the NOL deduction itself). The amendment applies to tax years beginning before January 1, 2021 (previously, tax years beginning after December 31, 2017, were subject to the 80% limitation).

| NOLs and Other Attribute Limitations | In the event of a change in ownership of a loss corporation (generally where 50% of the stock is acquired by new owners), the use of NOLs and other tax attributes by the company after the change is limited. For these purposes, stock acquired by government entities or lenders as part of loan or guarantee programs can constitute a transfer of stock contributing to such a change. The CARES Act provides Treasury regulatory authority to make rules including guidance that acquisition of equity interests as part of loan and guarantee facilities and programs authorized by CARES Act § 4003 will not result in an ownership change for section 382 purposes.  
**Authorities**  
IRC §382; CARES Act §4003(h)(2) | 780 T.M., III.B. (ownership change)  
780 T.M., III.C. (definition of stock)  
780 T.M., III.L. (TARP-related exemption) |
| NOLs and IRC §965         | The CARES Act amends IRC §172(b) to allow for the carryback of losses arising in taxable years ending after December 31, 2017 and before January 1, 2021 to each of the five taxable years preceding the taxable year of such loss. However, the NOL carryback cannot be used to offset IRC §965(a) income in those taxable years. The CARES Act provides that if the taxpayer elects to carryback NOLs to any taxable year in which it included IRC §965(a) income in its gross income, then the taxpayer is treated as having made the election under IRC §965(n) with respect to each such taxable year. The CARES Act allows a taxpayer to elect to exclude from its NOL carryback any taxable year to which IRC §965(a) applies.  
**Authorities**  
IRC §965(a), §965(n) | 930 T.M., IX.A.  
930 T.M., IX.H. |
| IRC §965(h) installment payments due date | Although the IRC §965(h) installment payment is generally made in respect of a taxpayer’s 2017 or 2018 tax year, the due date of the installment payment associated with a 2019 tax return is the due date of the taxpayer’s 2019 federal income tax return. For any taxpayer whose filing due date has been postponed from April 15, 2020 to July 15, 2020, the due date of that taxpayer’s IRC §965 installment payment has also been postponed to July 15, 2020.  
**Authorities**

| Due Date for Filing FATCA Reports | IRS provided an automatic extension of time for Reporting Model 2 FFIs and Participating FFIs to file Form 8966, *FATCA Report*. The March 31, 2020 filing deadline was extended to July 15, 2020.  
 **Authorities**  
| Business Interest Limitations     | For tax years beginning in 2019 and 2020, the deduction for business interest expense is limited to the sum of (i) business interest income, (ii) 50% of adjusted taxable income (ATI) (increased from 30% of ATI), and (iii) floorplan financing interest expense. Taxpayers may elect not to use the increased limitation. Given that many taxpayers may have significantly reduced income in 2020, taxpayers may elect to substitute 2019 ATI for 2020 ATI. Special rules apply for short tax years.  
 In the case of a partnership, the increase to the ATI portion of the limitation applies only to tax years beginning in 2020. Any election not to use the increased limitation must be made at the partnership level. Like other taxpayers, partnerships may elect to substitute 2019 ATI for 2020 ATI. A special rule provides that partners treat 50% of any excess business interest expense allocated to the partner in a tax year beginning in 2019 as paid or accrued in the partner's first tax year beginning in 2020, with the remaining 50% subject to the default limitation based on allocated excess taxable income (or excess interest income pursuant to Prop. Reg. §1.163(j)-6(g)(2)(i)). A partner may elect out of this special rule.  
 **Authorities**  
 IRC §163(j); CARES Act §2306 | 536 T.M., X.T. (general discussion)  
 712 T.M., II.B.3.q (partnership specific) |
### Charitable Contribution Deductions

For the 2020 tax year, the deduction percentage limitation for charitable contributions of cash has been removed for individual taxpayers. The TCJA had provided for an increased limitation of 60% for cash contributions; however, the CARES Act would suspend the percentage limitations entirely. This simply means that any qualified contribution is allowed to the extent that the aggregate of such contributions does not exceed the taxpayer’s adjusted gross income. This type of provision allowing for an “unlimited” charitable contribution deduction has occurred in the past; however, this suspension is applicable only for cash contributions.

The CARES Act also increases the limitation on the corporate charitable contribution deduction from 10% of taxable income to 25% of taxable income. In addition, the limitation on contributions of food inventory is increased from 15% to 25%.

For tax years beginning in 2020, eligible taxpayers are entitled to an above-the-line deduction of up to $300 for qualified charitable contributions. An eligible taxpayer is an individual that did not elect to itemize deductions. A qualified charitable contribution is a cash contribution to a qualified tax-exempt organization. Although not a significant amount, individuals may find this provision important due to the increased standard deduction amount that made the threshold for itemizing beyond reach for many taxpayers.

**Authorities**

- IRC §62; CARES Act §2204, §2205

### Quick Refunds

A corporation that overpays its estimated tax can obtain a quick refund of the excess estimated tax before it files its tax return. A corporation can obtain a quick refund only if the amount of the refund equals or exceeds 10% of the amount estimated by the corporation on its application as its income tax liability for the tax year and is at least $500.

| **Current Expected Credit Losses (CECL)** | Compliance with FASB Accounting Standards Update No. 2016-13 (Measurement of Credit Losses on Financial Instruments), as it pertains to insured depository institutions, bank holding companies, or affiliates, is not required from date of enactment until earlier of the termination of the national coronavirus emergency or December 31, 2020.  
The optional three-year phase-in of regulatory capital of the day-one adverse effects of CECL has been delayed by two years to allow banking organizations to focus on supporting lending to creditworthy households and businesses during the economic downturn resulting from COVID-19, while also maintaining the quality of regulatory capital.  
**Authorities**  
| **Government-Provided Relief Funds (Loans and Grants)** | For loans provided to businesses under Title I of Division A of the CARES Act (Small Business Administration loans), the Act expressly provides that any forgiveness or cancellation of all or part of such loans will not be treated as income for tax purposes.  
Assistance received under Title IV of Division A of the CARES Act will be treated as indebtedness for tax purposes, even if the government acquires warrants, stock, or other equity interests in the assisted companies as part of the assistance program.  
The CARES Act also provides, in Division A, Title I, for grant programs for certain small businesses. The Act does not have any express provision concerning the treatment of such grants for tax purposes. Section 118(b) expressly excepts contributions to a corporation by a government entity from the exclusion for contributions to capital. As a result, absent legislative provision, grants received by a corporate entity may be treated as taxable income.

### Due Date for Gift and Generation-Skipping Transfer Tax Returns and Payments

The IRS postponed to July 15, 2020 the due date for both filing a gift tax and GST tax return and for payments of gift and GST tax due April 15, 2020. The postponement is automatic; no Form 8892 is required. An affected taxpayer may file Form 709 to obtain an extension to file by October 15, 2020.

The period from April 15, 2020 to July 15, 2020 will be disregarded in the calculation of interest, penalty, or addition to tax for failure to file returns or pay taxes.
